

ST THOMAS OF CANTERBURY

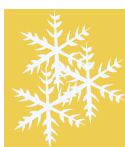

PTA NEWSLETTER

DECEMBER 2022

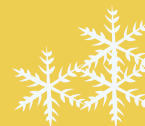

WHAT A MONTH WE HAD!

What a bumper month! From record-breaking fundraising events, generous donations to bringing our St Thomas community together, we couldn't have asked for more!

CHRISTMAS CAME EARLY THIS YEAR!

A huge thank you to all the amazing volunteers and parents that helped to deliver Christmas early to all the children at St Thomas.

It's with your 'bring it in day' donations and support on the day that we achieved a record-breaking total of £2002! Totally unbelievable!

It was amazing to see such a huge turnout and such a wonderful, Christmas atmosphere from pupils, family, friends and the local community.

Thank you to every single person who helped set up, man a stall or run the food and bar, we are so grateful. Merry Christmas and a Happy New Year to all.

COME AND JOIN US IN 2023!

If you think you could spare an hour of your time to help out with organising events, helping run a stall or being a PTA class representative, we'd love to hear from you.

If you're interested, please email pta@stcanterbury.herts.sch.uk, message Sarah on 07595 258513 or talk to any of the committee to find out more.

A FEW HUGE THANK YOUS

We need to say some **MASSIVE** thank yous for the recent donations towards our laptops goal from parents and their businesses.

Thank you to Owen Myers at Mackie Myers, a full-service professional recruitment agency for finance and corporate services, small and mid-size companies (mackiemyers.co.uk) for the donation of 2 laptops

And thank you to Kevin Eldridge at Mtivity, the SAAS marketing and sourcing software (mtivity.com) for providing a laptop donation.

We cannot thank you enough for your generosity and the difference this will make to the children.

THANK YOU
SO MUCH

MACKIE MYERS

GOAL 2022
10K

OUR FUNDRAISING GOAL

Drum roll please.....

Our fundraising total for 2022 is.....

£4,673

Just **PHENOMENAL!** We've really ended 2022 on a high and it's all thanks to your support.

That's 6.5 laptops we'll be able to provide the children already and that will contribute towards developing their IT skills.

We're staying focussed on our target of 15 laptops and have some exciting events lined up for the Spring and Summer terms.

We'll see you in 2023!
